201 Nissan
Vin# N5BFC64E
Mileage: 161,407

To Whom It May Concern,

Comparing to other 2015 Nissan vans, they go for approximately \$6,000. Taking into consideration the condition of this van, needing new rotors, brakes, tires and inspection, it's going to cost around \$3,000.00 for repairs. I'd value the truck's condition today at \$3,000.

2015 Nissan Cargo Van 1500
